This is yet another case where the helplessness of a person who had been deprived of the land by Land Acquisition Proceedings is brought to limelight. I am informed the property was acquired as early as in the year 1988 and still, the claimant is knocking at the doors of the courts for getting the amounts that is awarded to her. It is quite unfortunate. But at the same time, I have to state that there may be cases where people are waiting for a longer time than this. Therefore it may not be proper to issue a time bound direction. This court can direct the authorities to take into consideration the plight of the poor claimant, which has forced her to to come to this court for a direction. I sincerely and earnestly believe that the Government will do something to satisfy the award so that the heart burn of the claimant is averted.

The writ petition is disposed of accordingly.

M.N.KRISHNAN, JUDGE
